Janie Miller, Secretary
Cabinet for Health and Family Services
Frankfort, KY 40621

Dear Secretary Miller:

Please accept this as notice of my resignation as Commissioner of the Department for Community Based Services effective close of business Monday, December 19, 2011. Having the opportunity to lead the agency where my career began has been an honor and a privilege.

The work of the department is important to the lives of many citizens of the Commonwealth. I leave an agency that is stronger in practice, more consistent in performance and attuned to the principles undergirding human services. I wish the Department success in its endeavors.

Thank you for your support.

Sincerely,

Patricia R. Wilson, MSW
