Thank you for taking the time to learn about the Super PAC -- Americans for Growth, Opportunity and Prosperity ("AmeriGOP"). As I shared with you the mission of AmeriGOP "is dedicated to the constitutional proposition that all Americans have an unabridged right to life, liberty and the pursuit of happiness and that government's intrusion into the lives of its citizens be limited in scope as originally intended by the framers of our Constitution". AmeriGOP's primary objective is to identify and support candidates to public office who are aligned with its Mission.

The key issues employed by AmeriGOP in assessing candidates are: deficit reduction; free markets; fairer and flatter taxes; and the unequivocal defense of the Constitution of the United States.

AmeriGOP has identified Thomas Massie as a Congressional candidate who is aligned with its values, and is committed to his election for United States Congress in the 4th District of Kentucky.

As you may know, this is an extremely competitive race and it will require individuals and companies, such as yourself, to take an active role in this Primary Season to ensure that the RIGHT person is sent to Congress.

If you have not already done so, I personally encourage you to join me along with others of like mind to financially and enthusiastically support the efforts of the AmeriGOP Super PAC. Every dollar raised will be spent to ensure we send the RIGHT individual to Washington. Please visit [www.AmeriGOP.com/](http://www.AmeriGOP.com/) today and make a difference (to visit site, point at underlined portion with your mouse, hold down Ctrl and click); remember there are no limits as to the amount of financial support you as an individual or corporation can contribute.

Regards,  
Dick
